

# ICMLDE2022 pro forma

**Title: Special Session on Artificial Intelligence and IoT driven Methods and Applications**

**Topics of Interest:** The topics should be in the scope of the conference:

Topic 1: Integration of IoT and Artificial intelligence

Topic 2: ML-based IoT security

Topic 3: Future Generation of IoT

Topic 4: Big Data Analysis in smart transportation

Topic 5: Data science methods in Healthcare systems

Topic 6: Machine learning and Data Analytics in IoT for Industry

Topic 7: Nature-Inspired Smart Hybrid Systems

## Session committee member's details

Name: Dr. Arpita Nagpal

Institution: GD Goenka University, Gurugram

Email: [er.arpitanagpal@gmail.com](mailto:er.arpitanagpal@gmail.com)

Contact: 9999652200

Name: Dr. Aman Jatain

Institution: Amity University, Gurugram

Email: [amanjatainsingh@gmail.com](mailto:amanjatainsingh@gmail.com)

Contact: 9711050859

Name: Dr. Geetika

Institution: Amity University, Noida

Email: [munjal.geetika@gmail.com](mailto:munjhal.geetika@gmail.com)
